42,518 Deaths

MICHIGAN

32,000 Confirmed
2,468 Deaths

OUT-WAYNE COUNTY

6,202 Confirmed
515 Deaths

SITUATIONAL AWARENESS

- In yesterday's briefing, Governor Whitmer reported the following:
 - She has personally taken a 10% pay cut and has asked her Executive team to take a 5% pay cut during this time.
 - In the last ten days, COVID-19 related hospitalizations have decreased by 15%.
 - The White House will continue to echo the importance of staying home and staying safe orders given by governors across the nation.
 - Signed Executive Order [2020-55](#) creating the Michigan Coronavirus Task Force on Racial Disparities that will investigate the causes of racial disparities in the impact of COVID-19 and recommend actions to address those disparities.
- The Michigan House Republicans have released their suggestions for the state's recovery from the COVID-19 pandemic in "[Michigan's Comeback Roadmap](#)" and it has been made available to Governor Whitmer for her to consider the ideas and work with the House Republican caucus to build on the effort and lay out a detailed plan for Michigan families.
- The \$350 billion (USD) Paycheck Protection Program faced overwhelming demand and the funding for a small business loan program ran out of money last week. House Speaker Nancy Pelosi stated that Congress is close to reaching a bipartisan deal for additional funding.
- President Trump stated he will invoke the Defense Production Act to increase production of swabs that are used for coronavirus testing. Vice President Pence discussed with governors of all 50 states about how the implementation of the Defense Production Act would impact testing going forward and possibly allowing states to move into phase one of three that the White House has outlined for reopening.

ACTIONS TAKEN

- The Public Health Emergency Operations Center (PHOC) is at FULL ACTIVATION.

USEFUL RESOURCES

Learn how you can plan, prepare, and cope with stress before and during a COVID-19 outbreak.

- Plan and make decisions in advance of an illness.
- Know how to protect and support the children in your care.
- Find ways to cope with stress that will make you, your loved ones, and your community stronger.
